MOTION BY SUPERVISOR MICHAEL D. ANTONOVICH

April 1, 2003

**SENATE BILL 950**

According to the Los Angeles City Attorney's Office Child Abuse Unit, young children are abusively being prevented from attending school for long periods of time by adults in charge of their care. Currently, there is no effective mechanism in California to protect these children's rights to receive an education.

Senate Bill 950 has been introduced by Senator Richard Alarcon to increase the tools available to ensure that all children in California are attending school by granting the Juvenile Court authority over these children and the power to order a wide variety of appropriate remedies to protect each child's fundamental right to receive an education.

**I, THEREFORE MOVE THAT** the Board support Senate Bill 950 and send a five-signature letter of support to Governor Gray Davis, the author, and the Los Angeles County's legislative delegation.
